Subject: Regional Realignment: Org Chart and Functional Statements

Dear Colleagues:

Thank you for the hard work of your teams to provide the draft documents we need to move forward with the final decisions on the realignment. Attached is an organizational chart that includes the detailed functions for each division. The functional statements for each division are also attached. Please review this material prior to our call on Monday at 4:00 eastern time. I have not had the chance to review them myself so I may have my own opinions to share on Monday.

Acting Administrator Wheeler has also reached a decision on the organizational structure for the Office of Regional Counsel. We are in the process of drafting up the documentation associated with the decision, but please know that it is for all intents and purposes the same structure as agreed upon in the second Chicago meeting. We can discuss this well on Monday.

Thanks,
Henry
